**ANKLE SPIDER™**

- Shin splints
- Ankle sprains
- Ankle instability
- Improved athletic performance
- Postoperative rehabilitation
- Arthritis
- Plantar fasciitis

**UPPER KNEE SPIDER™**

- Arthritis
- Patellar tendinopathies
- Improved athletic performance
- Patello-femoral joint instability
- Ligament strains
- Postoperative rehabilitation
- Meniscal degeneration

**HAMSTRING SPIDER™**

- Strained hamstring
- Weak hamstrings
- Traction enthesopathies
- Muscle strain
- Muscle imbalance
- Improved athletic performance
- Postoperative rehabilitation

**HIP SPIDER™**

- Iliotibial band syndrome
- Strained gluteal muscles
- Hip bursitis
- Muscle imbalance
- Improved athletic performance
- Postoperative rehabilitation

**FULL KNEE SPIDER™**

- Arthritis
- Patellar tendinopathies
- Improved athletic performance
- Patello-femoral joint instability
- Ligament strains
- Postoperative rehabilitation
- Meniscal degeneration

**CALF & ARCH SPIDER™**

- Calf strain
- Fallen arches
- Plantar fasciitis
- Muscle cramps
- Posterior shin splints
- Ligament damage in the ankle
- Improved athletic performance
- Postoperative rehabilitation

**GROIN SPIDER™**

- Groin Pulls
- Weak adductors
- Torn adductors
- Muscle imbalance
- Improved athletic performance

**SMALL LYMPHATIC SPIDER™**

- Muscle strains
- Acute injuries
- Chronic joint swelling
- Edema
- Lymphatic congestion
- Bruising
- Postoperative recovery

**SHOULDER SPIDER™**

- Arthritis
- Joint strain
- Improved athletic performance
- Rotator cuff strains
- Muscle imbalance
- Postoperative rehabilitation
- Muscle spasms

**WRIST SPIDER™**

- Sprained wrist
- Wrist instability
- Carpal tunnel syndrome
- Hypermobility
- Tendinopathies of the fingers

**LOWER BACK SPIDER™**

- Arthritis
- Joint strain
- Improved athletic performance
- Disc injuries
- Muscle strains
- Postoperative rehabilitation
- Muscle spasms

**MEDIUM LYMPHATIC SPIDER™**

- Muscle strains
- Acute injuries
- Chronic joint swelling
- Edema
- Lymphatic congestion
- Bruising
- Postoperative recovery

**POSTURAL SPIDER™**

- Shoulder injuries
- Mid back pain
- Poor posture
- Rounder shoulders
- Neck pain
- Improved athletic performance
- Postoperative rehabilitation
- Muscle imbalances

**NECK SPIDER™**

- Whiplash
- Neck strain
- Tension Headaches
- Torticollis
- Improved athletic performance
- Postoperative rehabilitation
- Cervical Disc Disease
- Arthritis

**ELBOW SPIDER™**

- Tennis elbow
- Golfer's elbow
- Muscle strain
- Improved athletic performance
- Postoperative rehabilitation

**LARGE LYMPHATIC SPIDER™**

- Muscle strains
- Acute injuries
- Chronic joint swelling
- Edema
- Lymphatic congestion
- Bruising
- Postoperative recovery

Spiders available in the following colours    

Spider Pre-cuts are also available in Gentle line for patients with sensitive skin
